Unique Tea & Tisane Blends

Our original recipe, artisanal tea blends are inspired by things we love and wellness support we need.

COCONUT GREEN CHAI - Our most popular blend!

This is a caffeine free, herbal chai with the subtle smooth flavor of coconut. An amazing aromatic blend of spices and herbs. Warm, rich, spicy and nutritious, it is a great morning or after dinner tea. With milk or cream or without. Made with the gentle nutritious herbs of nettles, oatstraw & red clover and water processed decaffeinated green tea, blended with small-batch dried ginger root, cinnamon bark, clove buds, cardamom and black pepper and finally dried coconut flakes are added.

EVERYDAY TEA - Our Signature Green Blend

Bright, citrusy and delicious hot or cold. Get your antioxidant support with a strong dose of green tea, cellular toning with red clover, a touch of internal warmth and digestive support with dried ginger root, calendula officinalis and chamomile, a pinch of vitamin C with rose hips and lemon zest.

INTERNALLY HEALTHY - Think thin mint and black tea!

Thin mint and much better for you. Delicious Red Raspberry Leaf, Chocolate Mint & Assam Black Tea. Another antioxidant powerhouse full of mint-chocolaty-healthy joy for your cells. Enjoy it iced or hot, try it with cream!

GENTLE HIGH VITAMIN - Sweet Sunshine in a Cup!

Burst of floral with touches of warm vanilla bean, ginger & citrus. This nutritious tea is perfect for everyone in the family. The combination of iron-rich nettles, antioxidant-rich raspberry & blackberry leaves, calcium and magnesium rich oatstraw soothes nerves naturally. While calendula and borage provide toning support for a whole wellness boosting tea that is delicious and nutritious.

RISING UP AT DAWN - Our original coffee alternative!

This is a solid morning energizing blend with vitamin-packed, natural-energy boosting herbs. Earthy with a note of sweetness. Full flavored with sarsaparilla, ginger, burdock & licorice root, guarana seed, ephedra leaf, oatstraw with comfrey, blackberry, rose hips and finishing notes of orange peels.

THE SMOOTHER - Need to relax? Drink this smooth soother.

A subtle flavor with a creamy afternote. Amazing with honey and any type of milk you like. You can relax with this tea. All herbal, no caffeine- this smooth blend of calming and healing herbs will help you find your moment of peace. Healcrest-grown meadowsweet, borage, mugwort, cat-mint, chamomile with organic hops and marshmallow root. Experience mild natural pain & tension relief with The Smoother.

GODDESS TEA - Herbaceous tea to support the Lady Business!

Mild herbaceous tea with a hint of warm apply sweetness. Sage, Borage, Red Raspberry, Motherwort & Stevia Leaf & Stem, Dried Apple, Ginger Root. For women in the child-bearing years to support hormone balance, uterine muscle tone and woman power!

LEMONBALM - Stay Calm Drink Lemon Balm!

This single ingredient herbal tea delivers a mild herbal flavor with a hint of lemon. This delicious caffeine-free herbal tea is perfect for brightening your mood & calming your mind. Great for all ages & stages.
